interlude 1
Fruit salad

Mm...

Just the
right
amount
of sweetness.

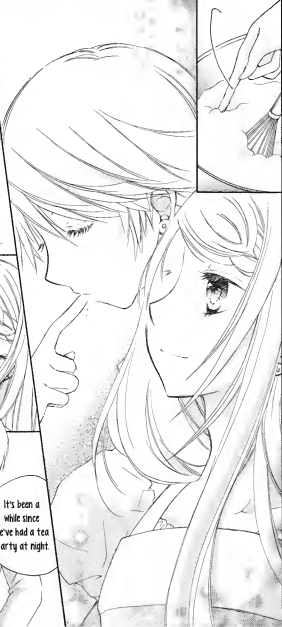

That's
great.

Is the transfer
student *that*
interesting?

That...
Umm...

It's been a
while since
we've had a tea
party at night.

'Maizaka Yozora'

1st year, Cherry Blossom group,
Spica dormitory.
Room 307.

How am I
supposed to get
up to the
3rd floor?

Could you
go greet her?

And change
out of those
sloppy clothes.

Eh-

Yeah,
yeah.

It's your
job to figure
it out.

You've been
sleeping soundly
until now, so
why don't you do
something useful
for a change?

...
This is
nice
though.

since
you've looked
so happy.

it's been
a while

...
What is?

That's true.

it seems things
will be getting
interesting
from now on.

intermède. 2
A small break

sigh

Sorry.

Umiyuri.

I'll be a
bit busy
today.

That girl
is...

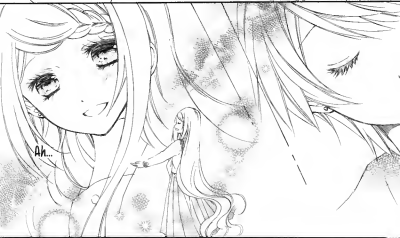

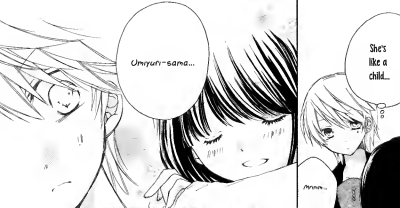

Everyone
seems busy.

SHE'S
WARN...

SOMETHING NEW
MIGHT BE BORN...

BY STAYING
BY HER SIDE,

10
minutes
later

LIKE... A NEW MELODY.

WHICH OUTFIT
DO YOU LIKE?

NOW,
YOZORA-SAN

Shwii-isskh

I have tons of
clothing fit for
contests.

My
grandmother,
mother and
sister were
all students
here.

Hehehe...

how did you
get so many?

Wow,
Nene-
san

You're not
doing anything
for your hair and
hands, right?

Let's dress you
up and surprise
Kishibeno-senpai!

Wai- what
does this
have to
do with
Kishibeno
Sekai?

Wai-wait
a sec,
Nene-san...

I wonder
which one
fits you
best.

This one?
Or maybe this?

Is that
how it
works?

then
the Chevalier
would also be
more motivated
to win.

If the Étoile
changes her
appearance,

Of course
it does!

Squeeze

Yozora-san,
as for me,

That's why
helping you
makes me
really happy.

I don't have the
kind of musical talent
that Towa-sama and
Kishibeno-senpai have.

Nor do I think
I belong on
that stage.

AND SO!

Nene-
san...

BAM

Umiyuri-sama
doesn't hold back,
so it's good to
show off a bit
of skin.

We can't
lose on this
at least!

THE ONE I
RECOMMEND
IS THIS
ONE!

SUPER SEXY

Ne...

Nene-
san...

The name of
the neck has
to be exposed!

White really
does fit
Yokota-san
well!

So...
It ended up
like this.

interlude 4
Jealousy?

I made a
mess out of
your clothes...

I'm
sorry,
Nene-
san.

the song you
sung was also
amazing.

Not to
mention,

I'm sorry
as well...

Nene-
san...

Still...

It's
fine!

I was told to
keep it and make
a new one anyway.

SPARKLE

SPARKLE

If you could
lend it
to me,

I'll return it
once I wash it.

SHE WASHED
IT TWICE
BEFORE
RETURNING.

L...
Can't
calm
down!

?

Yozora-
san?

I'll wash it
properly
first.

Well,
well.

In the laundry room

oukko

Omake's Étoile

The decorations sure have increased, huh?

It's gotten a bit messy.

Hehe
It's a really cute Yozora-like room.

Since this is my first time living in a dorm, I had a too much fun decorating.

Eh?!

Let's go see it sometime!

What's Nene-san's room like?

M

It's average
It's pretty
messy though,
so we
better not.

My room is...

Is that
so?

Taped newspaper articles
Towa and Sekai goods
Posters, photographs, etc.

A recently increasing
pile of photos of Yozora
(gotten from the
back route)

Umiyuri-sama
also lives
in Spica
dormitory.

I wonder what
kind of room
she has...

...
Yozora-san

About
that...

In the top
most floor
of Spica
Dormitory

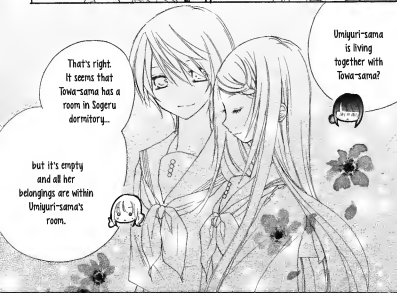

the whole floor
seems to be
Umiyuri-sama's
room.

That...
That
means...

Towa-sama
also seems
to be living
with her.

That's right.
It seems that
Towa-sama has a
room in Sogeru
dormitory...

but it's empty
and all her
belongings are within
Umiyuri-sama's
room.

Umiyuri-sama
is living
together with
Towa-sama?

Your ring.

It was tangled
in the sheets.

Really, losing
your precious ring
like that. What
a troublesome
Chevalier.

Sorry,

I don't really
like accessories.

huff

That's not the
problem here.

Frozen

Confused

What was that?

It seems that they're living together...

What was that?!

Shells?

Losing the ring?

Pshhhhhh

Clock clock

The path to becoming an Étoile

is still far away it seems...

What happened?

Hey!

!?

*la lune, le monde
et une étoile*

Thank you for
picking up the
first volume of
this series!

Good Afternoon.
Nice to meet you.
My name is
Yuriko Takagami.

Thank you

January, 2012. A certain
day I saw a SKE promo

I've always wanted to draw a Shoujo manga and
thought the readers of Yurihime would react
with 'what's with this glamorous world', but my
introduction to the yuri world is still new.

Finished with the prototypes!

For now, let's start with prototypes

Names!

Done with the names! The... the manuscript!

Done! What should I do? I want someone to read this...

A... A book?!

I STARTED INSTANTLY.

Being taught for the sake of production

FROM THEN ON...

Separating the girls into groups to add heat and rivalry.

STORY OF THE BAKA AND THE MOON

I made it in the heat of the moment...

But is this yuri...?

I wanna draw that...

JUST LIKE THAT,
THE SERIES WAS
EDITED AND MADE
FOR PUBLICATION.

Let's
serialize
this.

Let's ask a

I'D LIKE TO

WRITING ABOUT
THESE TWO IN

LIKE I
THOUGHT,
THESE
